

transportation

More than half of the continental United States is within a two-day drive of Allen County, and approximately 50 percent of all U.S. markets are within a one-day drive.

59 trucking companies, 22 moving companies, and seven trucking brokers, including Sirva (Allied) and bimodal Triple Crown serve Allen County and beyond, making good use of the two major interstates, four U.S. highways, and seven state roads that cross the county and easy access to I-80/90 to the north and I-75 to the east.

ROADWAYS

Interstates	69 & 469
US Highways	24, 27, 30 & 33
State Roads	1, 3, 14, 37, 101, 930 & 20

RAIL SYSTEMS

Railroads	NS, CFER, MW
-----------	--------------

Allen County is served by class I freight railroad, Norfolk Southern, and two CSX short line partners, the Chicago, Fort Wayne & Eastern Railroad and the Maumee & Western Railroad. Norfolk Southern and CSX serve over 42,000 miles of track in over 20 states and part of Canada.

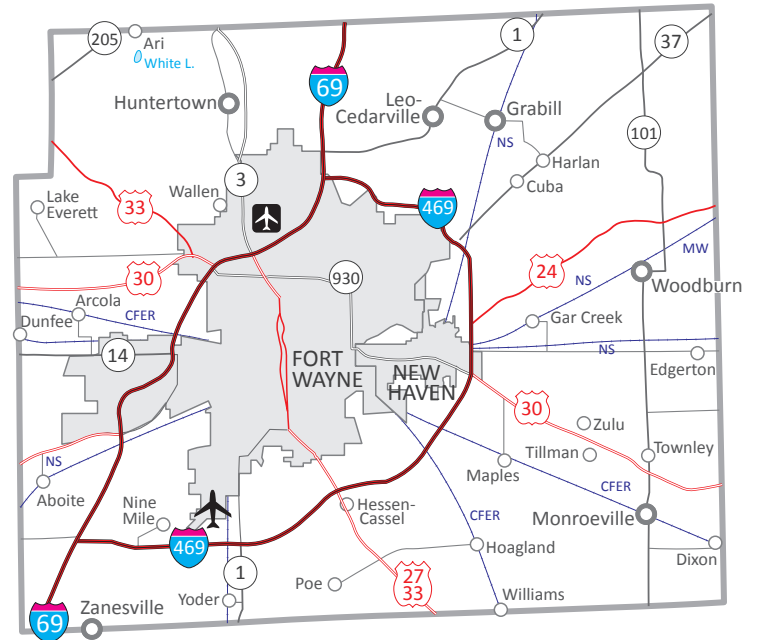

AIRLINES

Fort Wayne International Airport	12,000 ft runway
Smith Field	3,110 ft runway
Foreign Trade Zone	#182

Serving almost 600,000 passengers in 2008, the Fort Wayne International Airport is currently home to four major carriers: United, Delta, American, and Allegiant Air. There are 37 non-stop departures to Chicago, Atlanta, Dallas/Fort Worth, Tampa, and other major cities.

SEA PORTS

Within a little over two hours truck or rail ride, the Port of Indiana-Burns Harbor on Lake Michigan and the Port of Toledo on Lake Erie provide access to the Saint Lawrence Seaway. Both ports have an experienced work force and the facilities needed to deal with all types of bulk, break bulk, project cargo, and containers.
